

TO: All Fairfield Homeowners

FROM: Fairfield HOA

DATE: April 15, 2024

SUBJECT: Registration of Dogs

This is a reminder from the Fairfield HOA that all Homeowners owning a dog are to register their pet with the HOA by completing the Fairfield Pet Registration form attached and available on the community website at Fairfieldatlongneck.com. **The HOA has updated the requirements for registration which now includes a full photo of the pet.** The pet photo will help to identify the pet and homeowner not in compliance.

Homeowners that are leasing/renting or allowing friends to use their unit, are not permitted to have pets at the unit. Please refer to the Community Declaration of Rules & Regulations.

As a reminder to all pet owners, please be courteous and clean up after your pet(s). Everyone needs to be responsible for their pet(s). All pet(s) should be walked in the designated dog walk areas on the connecting road between Phase I and Phase II (Blue Mist Drive) or on the outer perimeter of the community. Dogs should not be walking on unit front lawns or in mulched flower beds.

Thank you for your cooperation in this matter.
